A. On January 30, 2004, the Executive Officer issued Order No. R9-2004-0039, a Cleanup and Abatement Order issued to the County of San Diego for the Valley Center Landfill. The Order was issued to correct an ongoing condition of pollution resulting from the release(s) of waste constituents from the waste management unit (landfill). The Order requires the County of San Diego to initiate an Evaluation Monitoring Program (EMP), pursuant to requirements of California Code of Regulations (CCR) Title 27, complete a feasibility study (FS) of remedial alternatives, and implement corrective actions at the site. Details regarding the contaminants of concern and condition of water pollution at this facility are documented in the Regional Board files for this facility. The public may arrange to review the Regional Board files by contacting Mrs. Amy Grove of the Regional Board at (858) 637-7136 or by email at [grova@rb9.swrcb.ca.gov](mailto:grova@rb9.swrcb.ca.gov).
